To appropriately manage the diversity of the QSC competition from our elite Opens to our more participation focused Senior/Masters teams, QTF will be implementing a tiered management structure.

The competition management for each tier will be guided by the desired outcomes for the division within the tier.

| Tier                    | Principles  |
|-------------------------|---|
| Performance Divisions   | <ul style="list-style-type: none"> <li>- Elite level competition</li> <li>- Strict eligibility requirements</li> <li>- Competition managed to promote performance outcomes</li> </ul>   |
| Competitive Divisions   | <ul style="list-style-type: none"> <li>- Combination of competitive and participation participants</li> <li>- Consideration on eligibility requests on case-by-case basis*</li> <li>- Competition management to maintain competitive participation focus</li> </ul> |
| Participation Divisions | <ul style="list-style-type: none"> <li>- Flexible considerations for eligibility requests*</li> <li>- Promotion of participation outcomes</li> </ul>  |
